

## S&D Real Estate Services Showing Instructions and Move –Out Procedures

### SHOWING INSTRUCTIONS

Your lease agreement authorizes S&D Real Estate Services to show the property for rent the last 30 days of your lease. We may place a sign in the yard. We will place a lockbox on the property and begin showing the property to prospective residents.

If you cannot be present at the time of showing, we will use our key in the key box.

#### **Important!**

Do not allow any prospective residents in your home unless they are accompanied by their real estate agent.

#### **What is a lockbox?**

A lockbox is a locked container in which a key to the property is placed. The lockbox can be opened with a special combination thereby enabling S&D Real Estate Services representatives and cooperating brokers to gain access to the property.

#### **Am I required to have a lockbox?**

You may withdraw your authorization to allow a lockbox on the Property by providing written notice to S&D Real Estate Services and **paying the Landlord a fee of 1 month's rent** as consideration for the withdrawal. S&D Real Estate Services will remove the key box within a reasonable time after receipt of the notice of withdrawal and payment of the required fee. *← Removal of the lockbox does not alleviate your obligation to make the property available for showings. (Paragraph 14 of Lease Agreement)*

#### **What is Centralized Showing Service (CSS)?** Our

showing service records who is showing your house and will notify you beforehand. We will give you a courtesy call to inform you of each showing; however, even if you cannot be contacted, the house will be shown. In addition, We will record if you deny or cancel showings.

*In order to be properly notified, please make sure we have your preferred number.*

← Do not lock the keyless deadbolt on the front door.

← If you use a **security system**, call the office to confirm that we have the **correct security code**.

← Secure your pets or remove them from the property if they would interfere or prohibit showings.

#### **When will I be charged a \$50 fine?**

- If you deny a showing
- If you cancel a showing
- If the property is inaccessible for a showing
- If your pets prevent or prohibit a showing

#### **How will I lose my security deposit?**

- If you fail to keep the property presentable for a showing
- If you fail to allow reasonable showings.

## PREPARING FOR MOVE-OUT

*\*As you prepare for move out, your lease agreement requires that you leave the property in a clean and undamaged condition.*

1. You must provide the office a complete forwarding address.
2. All keys, garage door openers and gate remotes, etc. must be turned in by the expiration date of the lease agreement or *pro-rated rent will be charged daily* until they are turned in.

Post Office keys: If mailbox keys were originally issued by the Post Office, should be turned in to the Post Office with a change of address notice.

3. We will conduct a final move-out inspection after *all furnishings have been removed and all CLEANING completed* and the *keys are turned in* to S&D Real Estate Services. The purpose of the final move out inspection is to document the condition in which you leave the property.

Tenants are not permitted to be present during the final walkthrough inspections.

We will send out a photographer to do move-out pictures. He/She will not be able to tell you what charges will or will not be charged against your security deposit.

Move-out inspections are preformed *Monday through Friday, between 10am and 4pm*, except on holidays. If the property is not ready for inspection at the appointed time and the inspector is required to make another trip or appointment, you will be charged \$75.

The property manager will compare the move-in pictures with the move-out pictures and with your move-in check list along with the reports from the maintenance personnel after you move-out to determine if will be are any charges against your security deposit.

4. Utilities must be on during the inspection. If the Utilities are not on for the move-out inspection, tenants will be charged a \$75 trip charge. Any delays caused by the Utilities not being turned on will delay the return of you security deposit and the charges incurred for utilities will be deducted from your deposit.
5. Tenants are not permitted back on the property after vacating.
6. Call utility companies and arrange for final readings.  
*Remember: Utilities must be left on for the move-out inspection.*

The following suggestions and helpful reminders are listed to ensure the maximum return of your security deposit. Please use this checklist as a guideline for preparing your house for the move out inspection.

The condition of the property will be evaluated according to, but not limited to, the following:

## INSIDE THE HOUSE

1. Remove all personal belongings from the premises.
2. Remove all nails – **PATCH, SPACKLE AND SPOT PAINT NAIL HOLES**, or touch up paint. *If you paint and it does not match or if you do a poor job of filling holes, you will be charged for necessary painting to match the existing paint or to redo spackling.*

Charges for painting depend on length of time in the property and whether it exceeds normal wear and tear.

3. **HAVE CARPETS PROFESSIONALLY CLEANED** at the time of move-out. This must be done *after* you have completely removed all your belongings and vacated the property. A receipt from a professional carpet cleaning company must be provided to us when you turn in your keys.

*DO NOT rent machines from a store or use home cleaning machines. Only professional cleaning by a truck mount company is acceptable. Be sure to have any spot treatments or pet treatments done as needed. If any odors or pet odors resurface after you have vacated the property you are responsible for charges incurred to remove the odor.*

If you hire a carpet cleaner other than the ones we recommend, **BE SURE** the carpet cleaner will guarantee their work to S&D Real Estate Services standards/satisfaction.

## OR... GET YOUR HOME PROFESSIONALLY CLEANED

Our experience has been that after the work and stress of moving out, tenants may be too tired to clean the house. We recommend considering a professional cleaning company.

You are certainly free to choose any company or use our recommended companies. For a list of approved companies, please email [info@mylakelandhome.com](mailto:info@mylakelandhome.com). Make sure to inform them that this is a “Make Ready Clean” and that you are a tenant of S&D Real Estate Services if you use our recommended vendor, they will guarantee their work.

If you hire a professional cleaning service you should provide them a list of what we expect and oversee and inspect their work. Confirm with the company you hire that they will clean the home to S&D Real Estate Services standards and guarantee their work.

## RENTAL VERIFICATIONS

We often receive requests from mortgage companies and other landlords wanting a rental verification of a tenant's rental history. Usually they want this information filled out and returned to them immediately. We are happy to comply.
